CISCO CCNA BOOT CAMP

Hours: 50, Tuition: \$4650

Audience & Prerequisites

- Boot Camps are an intensive test preparation certification program intended for IT Professionals with 2 or more years of hands-on experience.
- Student should have a working knowledge from an administrative and support perspective in the following areas: computer hardware and network components, concepts, services, and applications, including remote access, and device management; TCP/IP, Internet technologies, internetworking, directory services and security concepts. Network fundamentals are an important prerequisite. Students with minimal networking background should highly consider completing CompTEC's regular tracks.
- Motivation and desire to achieve excellence through certification are also key elements and prerequisite.

Description

The 640-802 Cisco Certified Network Associate (CCNA) is the composite exam associated with the Cisco Certified Network Associate certification. Candidates can prepare for this exam by taking the Interconnecting Cisco Networking Devices Part 1 (ICND1) v1.0 and the Interconnecting Cisco Networking Devices Part 2 (ICND2) v1.0 courses. This exam tests a candidate's knowledge and skills required to install, operate, and troubleshoot a small to medium size enterprise branch network. The topics include connecting to a WAN; implementing network security; network types; network media; routing and switching fundamentals; the TCP/IP and OSI models; IP addressing; WAN technologies; operating and configuring IOS devices; extending switched networks with VLANs; determining IP routes; managing IP traffic with access lists; establishing point-to-point connections; and establishing Frame Relay connections.

Exam to be taken on the last day of Boot Camp:

- BSCI 640-802

Course Materials

The student kit includes a comprehensive workbook and other necessary materials for this class.

Course Information

Course Hours: 8am-6pm

Standard Boot Camp Packages Includes:

- Hotel
 - Check-In is 1 day prior to Boot Camp start date
 - Check-Out is on the last day of the Boot Camp
- Continental Breakfast
- Lunch
- Courseware
- Various snacks, soda, coffee, etc
- 1-CCNA Exam Voucher

The hotel is five minutes from the airport and five Minutes from our boot camp certification training facility. The hotel operates an on call shuttle bus that brings you from the airport to your room, brings you to school every day, and takes you back to the hotel every night.

The hotel is recently remodeled, clean and well maintained by a conscientious staff. Laundry Services are available.

A hot continental breakfast is provided at the hotel

Lunch is provided at the boot camp certification training facility to minimize distractions during the day.

Dinner and the expense of dinner are up to the student. Typically, students in a class bond very early and dining together become the norm. Of course students can order dinner delivered to the school and continue working as long as they like.

High speed internet access is available at the hotel and at the boot camp certification facility.

Note: This course info is for a standard boot camp package. Details may change depending on funding source and package specifications. For Example: Students using MGIB will pay for the tests upfront and will be reimbursed for the tests within 60 days. CompTEC grants also affect details of a boot camp package. All Boot Camps packages are clearly defined in individual Enrollment Agreements.
