A+ Certification Boot Camp

Hours: 30, Tuition: \$2800

Audience & Prerequisites

- Boot Camps are an intensive test preparation certification program intended for IT Professionals with 2 or more years of hands-on experience.
- Students should have a working knowledge to install, upgrade, repair, configure, troubleshoot, optimize, and perform preventative maintenance of basic personal computer hardware and operating systems. Students should also have the following skills: End-user skills with Windows-based personal computers, including the ability to: Browse and search for information on the Internet. Start up and shut down the computer. Log on to a computer and computer network. Run programs. Move, copy, delete, and rename files in Windows Explorer. Basic knowledge of computing concepts, including: The difference between hardware and software. The functions of software components, such as the operating system, applications, and file systems. The function of a computer network.
- Motivation and desire to achieve excellence through certification are also key elements and prerequisite.

Description

If you are getting ready for a career as an entry-level information technology (IT) professional or personal computer (PC) service technician, the CompTIA® A+® Certification course is the first step in your preparation.

Exams Covered:

- 220-701
- 220-702

Course Materials

The student kit includes a comprehensive workbook and other necessary materials for this class.

Course Information

Course Hours: 8am-6pm

Standard Boot Camp Packages Includes:

- Hotel
 - Check-In is 1 day prior to Boot Camp start date
 - Check-Out is on the last day of the Boot Camp
- Continental Breakfast
- Lunch
- Courseware
- Various snacks, soda, coffee, etc
- 2-A+ Exam Voucher

The hotel is five minutes from the airport and five Minutes from our boot camp certification training facility. The hotel operates an on call shuttle bus that brings you from the airport to your room, brings you to school every day, and takes you back to the hotel every night.

The hotel is recently remodeled, clean and well maintained by a conscientious staff. Laundry Services are available.

A hot continental breakfast is provided at the hotel

Lunch is provided at the boot camp certification training facility to minimize distractions during the day.

Dinner and the expense of dinner are up to the student. Typically, students in a class bond very early and dining together become the norm. Of course students can order dinner delivered to the school and continue working as long as they like.

High speed internet access is available at the hotel and at the boot camp certification facility.

Note: This course info is for a standard boot camp package. Details may change depending on funding source and package specifications. For Example: Students using MGIB will pay for the tests upfront and will be reimbursed for the tests within 60 days. CompTEC grants also affect details of a boot camp package. All Boot Camps packages are clearly defined in individual Enrollment Agreements.
