## CISCO CCNP BOOT CAMP

Hours: 120, Tuition: \$14,880

### Audience & Prerequisites

- Boot Camps are an intensive test preparation certification program intended for IT Professionals with 2 or more years of hands-on experience.
- Candidate must have their CCNA certification.
- Student should also have a working knowledge from an administrative and support perspective in the following areas: computer hardware and network components, concepts, services, and applications, including remote access, and device management; TCP/IP, Internet technologies, internetworking, directory services and security concepts. Network fundamentals are an important prerequisite. Students with minimal networking background should highly consider completing CompTEC's regular tracks.
- Motivation and desire to achieve excellence through certification are also key elements and prerequisite.

### Description

CCNP is advanced computer career training for Cisco professionals. CCNP certification validates a network professional's ability to install, configure and troubleshoot converged local and wide area networks with 100 to 500 or more nodes. Network Professionals who achieve the CCNP have demonstrated the knowledge and skills required to manage the routers and switches that form the network core, as well as edge applications that integrate voice, wireless, and security into the network.

Exams Covered:

- BSCI 642-901
- BCMSN 642-812
- ISCW 642-825
- ONT 642-845

### Course Materials

The student kit includes a comprehensive workbook and other necessary materials for this class.

### Course Information

Course Hours: 8am-6pm

Standard Boot Camp Packages Includes:

- Hotel
  - Check-In is 1 day prior to Boot Camp start date
  - Check-Out is on the last day of the Boot Camp
- Continental Breakfast
- Lunch
- Courseware
- Various snacks, soda, coffee, etc
- 4-CCNP Exam Voucher

The hotel is five minutes from the airport and five Minutes from our boot camp certification training facility. The hotel operates an on call shuttle bus that brings you from the airport to your room, brings you to school every day, and takes you back to the hotel every night.

The hotel is recently remodeled, clean and well maintained by a conscientious staff. Laundry Services are available.

A hot continental breakfast is provided at the hotel

Lunch is provided at the boot camp certification training facility to minimize distractions during the day.

Dinner and the expense of dinner are up to the student. Typically, students in a class bond very early and dining together become the norm. Of course students can order dinner delivered to the school and continue working as long as they like.

High speed internet access is available at the hotel and at the boot camp certification facility.

***Note: This course info is for a standard boot camp package. Details may change depending on funding source and package specifications. For Example: Students using MGIB will pay for the tests upfront and will be reimbursed for the tests within 60 days. CompTEC grants also affect details of a boot camp package. All Boot Camps packages are clearly defined in individual Enrollment Agreements.***
