MCITP: Database Developer Boot Camp

Hours: 80, Tuition: \$5995

Audience & Prerequisites

Boot Camps are an intensive test preparation certification program intended for IT Professionals with 2 or more years of hands-on experience. Candidates should be experienced in: Installing & Configuring SQL Server 2005, creating databases and database files, creating data types and tables, querying server 2005 databases and managing security in SQL Server 2005.

Motivation and desire to achieve excellence through certification are also key elements and prerequisite.

Description

Microsoft Certified IT Professional: Database Developer (MCITP: Database Developer) is the premier certification for database designers and developers. This credential demonstrates that you can design a secure, stable, enterprise database solution by using Microsoft SQL Server 2005. Microsoft Training cover the spectrum of Information Technology skills important to computer careers. Database training, programming training and network engineer training are presented in an orderly progression of computer training classes that build on each other to ensure mastery of the subject.

Exams Covered:

- Exam 70-431, Exam 70-441, Exam 70-442

Track Hours and Tuition if Taken Individually:

70-431: 30-hours, \$2397

70-441: 25-hours, \$1598

70-442: 25-hours, \$1598

Course Materials

The student kit includes a comprehensive workbook and other necessary materials for this class.

Course Information

Course Hours: 8am-6pm

Standard Boot Camp Packages Includes:

- Hotel
 - Check-In is 1 day prior to Boot Camp start date
 - Check-Out is on the last day of the Boot Camp
- Continental Breakfast
- Lunch
- Courseware
- Various snacks, soda, coffee, etc
- 3-Microsoft Exam Voucher

The hotel is five minutes from the airport and five Minutes from our boot camp certification training facility. The hotel operates an on call shuttle bus that brings you from the airport to your room, brings you to school every day, and takes you back to the hotel every night.

The hotel is recently remodeled, clean and well maintained by a conscientious staff. Laundry Services are available.

A hot continental breakfast is provided at the hotel

Lunch is provided at the boot camp certification training facility to minimize distractions during the day.

Dinner and the expense of dinner are up to the student. Typically, students in a class bond very early and dining together become the norm. Of course students can order dinner delivered to the school and continue working as long as they like.

High speed internet access is available at the hotel and at the boot camp certification facility.

Note: This course info is for a standard boot camp package. Details may change depending on funding source and package specifications. For Example: Students using MGIB will pay for the tests upfront and will be reimbursed for the tests within 60 days. CompTEC grants also affect details of a boot camp package. All Boot Camps packages are clearly defined in individual Enrollment Agreements.
