Network+ Certification Boot Camp

Hours: 20, Tuition: \$2800

Audience & Prerequisites

- Boot Camps are an intensive test preparation certification program intended for IT Professionals with 2 or more years of hands-on experience in network support and administration.
- Students should have a working knowledge of network theory, network communications methods, Network data delivery, network media and hardware, network implementations, networking with TCP/IP, TCP/IP Services and other network protocols and local area network infrastructure.
- Motivation and desire to achieve excellence through certification are also key elements and prerequisite.

Description

CompTIA Network+ Certification validates the knowledge and skills of networking professionals. It is an international, vendor-neutral certification that recognizes a technician's ability to describe the features and functions of networking components and to manage, maintain, troubleshoot, install, operate and configure basic network infrastructure. The demand for skilled networking support professionals continues to grow, and CompTIA Network+ is a valuable credential to help launch or enhance a networking career. In fact, many IT certifications integrate CompTIA Network+ into their curriculums. Microsoft added CompTIA Network+ into their Microsoft Certified Systems Administrator (MCSA) program, and other corporations such as Novell, Cisco and HP also recognize CompTIA Network+ as part of their certification tracks.

Exams Covered:

- N10-003

Course Materials

The student kit includes a comprehensive workbook and other necessary materials for this class.

Course Information

Course Hours: 8am-6pm

Standard Boot Camp Packages Includes:

- Hotel
 - Check-In is 1 day prior to Boot Camp start date
 - Check-Out is on the last day of the Boot Camp
- Continental Breakfast
- Lunch
- Courseware
- Various snacks, soda, coffee, etc
- 1-Network+ Exam Voucher

The hotel is five minutes from the airport and five Minutes from our boot camp certification training facility. The hotel operates an on call shuttle bus that brings you from the airport to your room, brings you to school every day, and takes you back to the hotel every night.

The hotel is recently remodeled, clean and well maintained by a conscientious staff. Laundry Services are available.

A hot continental breakfast is provided at the hotel

Lunch is provided at the boot camp certification training facility to minimize distractions during the day.

Dinner and the expense of dinner are up to the student. Typically, students in a class bond very early and dining together become the norm. Of course students can order dinner delivered to the school and continue working as long as they like.

High speed internet access is available at the hotel and at the boot camp certification facility.

Note: This course info is for a standard boot camp package. Details may change depending on funding source and package specifications. For Example: Students using MGIB will pay for the tests upfront and will be reimbursed for the tests within 60 days. CompTEC grants also affect details of a boot camp package. All Boot Camps packages are clearly defined in individual Enrollment Agreements.
